Dear Vivek:

It has been a pleasure working with you and your team over the past several years. Xtramilesoft is an apt name for your company because you indeed seem to go the "extra mile" in order to ensure our needs are met whether for report creation, script writing and execution, or for data extraction and analysis. Response to our requests have always been handled in a timely manner.

Please feel free to pass along my contact information or to use this letter as a high recommendation of your services to anyone who may be considering using Xtramilesoft.

Respectfully,
